**We trust you have enjoyed a happy and healthy festive season and look forward to seeing you at The Shell Club in the near future**

**If you are planning on coming in, keep in mind the Club will not be opening until 11.00am on New Year's Day.**

## PROJECT UPDATE

As you may have seen, we at The Shell Club are proud to announce the completion of stage one of the building project and the commencement of stage two.

Stage one included the Dining Room, Kitchen, additional Bar, Coffee/Snack Food area and more recently our updated fireplace and new lounge area. A collage of photos is included in the Newsletter to spark your interest however, if you haven't seen the changes recently then come in and have a look, you will be pleasantly surprised.

Stage two includes the storage facility and workshop areas which are nearly completed and after that you will see the commencement of the new function centre.

The staff and members are looking forward to the changes in 2020 and project updates will be a regular feature in the Newsletter.

See you at the Club  
Tom Phippen (Vice Chairman)
